

REMARKS

The subject case is a PCT application entering the US National Phase under 35 U.S.C. § 371 and Article 39(1)(a) of the Patent Cooperation Treaty. The above amendments are being made to correct informalities in the PCT application.

A Cross-Reference to Related Applications has been added.

Claim 4 has been amended to remove multiple dependencies so that the claims are in proper claim format.

Claim 8 has been canceled without prejudice

Claims 1-7 and 9-10 are pending in the application.

It is deemed that all of Applicant's amendments are supported by the specification and claims as filed and do not introduce new matter.

Applicants respectfully contend that the application is allowable and a favorable response from the Examiner is earnestly solicited.

Respectfully submitted,

By
